

emotional wellbeing drop-in for Children & Young people aged 0 to 25, their parents and carers.

We offer a **safe space** and **friendly face** for children and young people to talk to someone about whatever is on their mind.

We are **passionate** about **empowering** young people. Simply listening to a young person's experience or using therapeutic strategies can make all the difference.

Parents and carers will be given **practical support and suggestions** relating to their child.

April 2018 service update!

We are in the process of renovating a **new, permanent venue** in Wellington Town Centre. Once complete, the Telford & Wrekin service will run solely from there. The Shrewsbury drop-in session will continue.

This will mean there will be **increased drop in sessions**, as well as **more ways to access support**.

This venue will be open for users from across the county.
