

Governor Profile

Susanna Wright

I became a governor in 2022 and have now been appointed to the Local governing Committee as part of Collective Vision Trust. I look forward to driving improvements to the school working with the school staff and other governors and by listening to children and parental suggestions. I have two children in school, currently in Year 2 and Year 6, we live in Knighton and we have been at Woore School since 2016. I am enthusiastic about the natural world, sustainability, having an exciting curriculum and promoting healthy living.

I am a part of the Finance and Curriculum Committees, I bring experience from both the public and private sector of industry, am well versed in managing budgets and challenging teams to deliver change. I am an experienced team leader and senior project manager, coming from a sciences background I have been involved in transformational change of IT systems and Operational Practices for the past 3-4 years in the civil service. I am keen to working together to help the school shine brightly, bringing a great educational experience to all pupils.
