

Governor Profile

Mark O'Donnell

As a member of the local governing committee at Woore Primary School, I am part of the Curriculum & Standards, Salaries, Performance Management & Employment Issues and SEND & More Able Committees. I initially joined the Governing Body in 2022 and hope to support the school to grow, develop to be the best it can be.

I was a Special Needs Teacher for over 20 years having working both in the UK and abroad with a wide range of additional needs. I worked in middle management for the latter part of my teaching career and hope I can use my knowledge to support the school. I now fly for The Children's Air Ambulance which is a challenging yet rewarding job and in my spare time I run a tutoring service for Looked after Children with SEND.
